WARNING

Some crops may be injured by application of boron.

CALiber™ with Boron meets National Organic Program requirements for organic production.

CALiber™ with Boron contains NO Genetically Modified Organisms.

This product is intended for use according to an approved organic system plan.

All ingredients in CALiber™ with Boron are either allowed nonsynthetic substances or synthetic allowed for use as plant or soil amendments per 7 CFR 205.601(j).

It is each certified organic grower's responsibility to get approval from his/her certifying agency before using this product. Because of differences among the various certifying agencies, and differences between NOP/EU/JAS/COR ingredient lists, AgriEnergy Resources cannot guarantee that our products will be allowed by your certifier on your farm.
