JAR TEST TO ASSURE COMPATIBILITY WITH OTHER PRODUCTS

DO NOT ADD HUMIC CONCENTRATE TO PREPLANT HERBICIDES ON SANDY SOIL

This product does not supply all nutrients required by plants and is a supplement to a fertility program.

Humic Concentrate meets National Organic Program requirements for organic production.

Humic Concentrate contains NO Genetically Modified Organisms.

This product is intended for use according to an approved organic system plan.

It is each certified organic grower's responsibility to get approval from his/her certifying agency before using this product. Because of differences among the various certifying agencies, and differences between NOP/EU/JAS/COR ingredient lists, AgriEnergy Resources cannot guarantee that our products will be allowed by your certifier on your farm.
